FABULOUS FOOD

Santa Maria Steak BBQ - A specialty barbecue for those wanting something different & delicious. A whole sirloin is slowly roasted over mesquite, keeping in all the natural juices and flavor. Sliced just prior to serving for a memorable "barbecued sirloin of beef".

Chicken Milano - Tender halves of bone-in chicken marinated in white wine, olive oil, garlic and rosemary, then slowly grilled over mesquite.

Texas BBQ Baby Back Ribs - A real Texas style recipe. Succulent baby back pork ribs smoked over the open fire, then bathed in a sweet and tangy sauce. The best mess you can get into!

Billburgers - Nobody makes it juicier than Bill the BBQ King. Pile on the trimmings - onions, lettuce tomatoes and Bill's secret seasonings for the hamburger of your dreams, all on a soft, fresh, sesame bun.

All Beef Saratoga Super Dogs - We do hot dogs in style, with relish, ketchup, mustard and sprinkling of chef's seasoning all on a fresh bun.

Entrees are served with all of the following side dishes:

Saratoga Springs Famous Chili - Original homemade beans we start the day before. A family tradition using fresh meats, Italian sausage and garden grown spices. One of our most popular selections.

Fresh Garden Salad - Crisp summer greens, tomatoes, strips of red cabbage, coated with an Italian dressing and topped with seasoned croutons.

Mardi Gras Potato Salad - Large slices of baked potatoes in a creamy sauce with parsley, celery, red peppers and black pepper.

Chilled Pasta Roma Salad - Fusili pasta in a creamy basil & pesto sauce, with peas, carrots, olives, marinated in parsley, vinegar, spices.

Pineapple Cranberry Cole Slaw - Green slivers of cabbage tossed in a lively pineapple infused dressing dotted with dried cranberries.

Fresh Fruit - A gorgeous selection of the freshest fruits of the season.

Tasty Garlic Bread - A garlic lovers delight...Fresh sourdough loaves, buttered and seasoned with garlic, p
